INVESTING IN AMERICA

13.5″

x 5″

Vertically center the featured logo group, depending on the number of text lines in the above project title.

For example, if project title is one line, space above and below (x) the logo group is 9.75". For two lines, 7.5". For three lines, 5.25".

A second logo is placed 4–5" to the right of the first. For a third logo, scale-down to a 10" height with 4" spacing between them if necessary and recalculate the vertical centering.
