

Charles (Chip) Hall

Charles (Chip) W. Hall, CELRN-PM-P. Mr. Hall is a Biologist and Regional Technical Specialist for the US Army Corps of Engineers, Nashville District. He has worked for the Corps for 14 years mainly with subjects and issues regarding the National Environmental Policy Act. He has a Bachelor of Science degree from the University of Tennessee, Knoxville in Wildlife and Fisheries Science. He has been assigned to PDTs and performed Agency Technical Review for many different types of projects including section 14, 205, 202, 206 authorities, General Investigations, Operations Projects, and Dam Safety Modifications (Wolf Creek Dam Seepage Rehab and Center Hill Dam Seepage Rehab). He has served a 120 day assignment in Corps HQ on the LRD Regional Integration Team coordinating reviews by the Office of Water Project Review. He currently serves as a committee representative on ERDC's Environmental Restoration Research Area Review Group. Recently, Mr. Hall was named the Ecosystem Restoration Planning Center of Expertise Account Manager to the North Atlantic Division.
