Alongside USACE staff, our volunteers and partners organized community outreach events, fostering connections and raising awareness about USACE missions. These events served as platforms to engage with new volunteers and potential partners.

At the national level, USACE continued to team up with other Federal land management agencies to support the Federal Interagency Council on Outdoor Recreation, the America the Beautiful 30x30 initiative, the Recreate Responsibly and the Together Outdoors coalitions in providing outdoor recreation and conserving or sustainably managing natural and cultural resources. As we look ahead, we are excited about the potential for even greater achievements and are grateful for the ongoing support of our remarkable communities.
