

## **Professional Certification Survey - 2012**

**1. If a professional Certification existed for Natural Resource Management would you seek to be certified? Would you maintain certification acquiring necessary CEU's?**

**2. If you were required to pay for the NRM professional certification out of your own pocket would you continue to seek certification? With required annual CEU's?**

**3. Do you feel a NRM professional certification would be beneficial for your career development?**

**4. If hiring a new employee would having a professional certification in Natural Resource Management affect your decision to hire?**
