MEMORANDUM FOR COMMANDERS, MAJOR SUBORDINATE COMMANDS AND
DISTRICT COMMANDS, CHIEFS, CONSTRUCTIONS-OPERATIONS DIVISIONS

SUBJECT: Challenge Partnership Handshake Program – 2007 Recipients

1. It is my pleasure to announce the successful recipients for the 2007 Challenge Partnership Handshake Program. These endeavors continue to forge new relationships and open new paths in partnering. Your initiative helps the U.S. Army Corps of Engineers send a significant message to our partners that we are serious about our philosophy that partnering is a handshake, not a handout.
2. The enclosed list identifies this year's recipients. These examples of local community engagement will help set the tone throughout the Corps that partnering is an invaluable tool and the smart way to do business. I wish these partnering efforts the greatest success.
3. My point of contact for this effort is Mr. Michael Hosey, SAW Partnership Advisory Committee member. He will be in touch with the projects shortly with additional details. If there are any questions, contact him at (919) 542-4501, x26.

FOR THE COMMANDER:
