**MEMORANDUM FOR CHIEFS, OPERATIONS, MAJOR SUBORDINATE COMMANDS
AND DISTRICT COMMANDS**

SUBJECT: Request for Nominations for National Boating Federation's National Water Safety Awards

1. The National Boating Federation (NBF) wishes to honor a U.S. Army Corps of Engineers (USACE) employee and team for their outstanding contribution to boating and water safety. A National Water Safety Award will be presented to an employee and to a team who have done exceptional work regarding boating and water safety in 2021.
2. The NBF will recognize the award winners in 2022. If awards are presented at a conference the salary, travel, and per diem costs to attend the conference are the responsibility of the home project or district. Conference approvals for attendees must be coordinated through the awardee's District and Division Commanders in accordance with the USACE conference policy (Enclosure 3).
3. Nominations will be evaluated based on the enclosed evaluation criteria and supporting documentation (Enclosures 1 and 2). Nominations must be submitted through District Operations Chiefs to their respective Major Subordinate Commands (MSCs) for consideration. One nomination per MSC can be forwarded to Headquarters U.S. Army Corps of Engineers (HQUSACE) for each award. Division Operations Chiefs should send a single nomination for each award no later than 10 December 2021. Nominations received will be evaluated by the USACE National Water Safety Committee and approved by the HQUSACE Chief, Operations and Regulatory Division. Recommendations will be forwarded to the NBF for acknowledgement.
4. MSCs should forward their nominations, along with supporting documentation as described in Enclosures 1 and 2, to Pam Doty, National Water Safety Program Manager, at pamela.j.doty@usace.army.mil, no later than 10 December 2021. Pam Doty can be contacted by email or at (817) 886-1727.

The National Boating Federation Annual Boating and Water Safety Awards USACE Employee and Team Awards Evaluation Criteria

The National Boating Federation may recognize a U.S. Army Corps of Engineers (USACE) employee and team based upon evaluation of the content of the nominations that concisely describes the employee's or team's innovative performance and specific accomplishments, **during the current year only**, towards promoting boating and water safety, within the following criteria.

If nominating both an employee and a team, two separate nomination packages must be submitted, one for the employee and one for the team.

The consolidation of two or more individuals into a single nomination for the employee award is not permitted.

- 1) Creativity and Originality. Summarize the employee's or team's boating and water safety accomplishments that embraced the goal of reducing public recreation fatalities on our nation's waterways. Emphasize how the work showed innovation in technique, delivery, materials, or use of resources to provide interpretive services and outreach, visitor assistance, and/or recreation facility maintenance to all ages. Explain in detail how boating and water safety was promoted to adults. Describe how all of the efforts and accomplishments were implemented and what management objectives were met.

Can include but not limited to:

- Interpretive services and outreach provided through the use of face-to-face contacts, programs, events, exhibits, publications, brochures, news releases, website development, social media, and other methods.
- How resources provided by the HQUSACE National Water Safety Program or purchased on a local basis were used to promote water safety.
- Partnerships developed new and/or enhanced with individuals, groups, schools, other agencies (local, state, or federal), etc. to promote water safety.
- Recreation facility improvements pertaining to boating and water safety.
- Visitor assistance techniques used to promote boating and water safety.
- Policies implemented and enforcement measures used regarding boating and water safety.
- Guidelines, manuals, or other information regarding boating and water safety developed as resources for employees.
