SUBJECT: 2022 Chief of Engineers Natural Resources Management Hiram M.  
Chittenden Award for Interpretive Excellence

1. I am pleased to inform you that you have been selected as the recipient of the 2022 Hiram M. Chittenden Award for Interpretive Excellence winner. This award recognizes outstanding contributions in interpretation and environmental education. It is based on the demonstration of creativity and originality, which produces a positive experience for visitors and enhances the public's understanding of the U.S. Army Corps of Engineers.
2. Your dedication to West Hill Dam during your 31 years of service is evident in your ability to partner in your community to spread the messages of environmental stewardship, recreation, and flood risk management. More importantly, your mentoring and tutelage of the next generation will leave a lasting legacy. In addition, your ability to foster a well-rounded and innovative interpretive program, is commendable, making you a resource to interpreters in the New England District, North Atlantic Division, and across the U.S. Army Corps of Engineers.
3. Congratulations! Please direct any questions to Mr. Jeff Krause at 202-590-6810 or [jeff.krause@usace.army.mil](mailto:jeff.krause@usace.army.mil). Thank you for your outstanding service to the U.S. Army Corps of Engineers!

*Congratulations!*
