MEMORANDUM FOR RECORD

SUBJECT: Addition to the U.S. Army Corps of Engineers Sign Standards Program – Approval of Safety Signs

1. Upon recommendation of the Sign Advisory Work Group (SAWG) and the National Sign Program Manager, the following safety signs are approved for integration into the Sign Standards Program:

- a. Caution || Shooting Range | Do Not Enter Until Firing Line Is Secured
- b. Danger || Deafening Underwater Noise and Turbulence | No Swimming or Anchoring.
- c. Danger || Water Subject to Sudden Turbulence | No Swimming or Anchoring

2. See Enclosure 1 for visual rendering of the signs.

3. This change is effective immediately. The signs will be added to the Sign Standards Manual (EP 310-1-6a and 6b) and will be posted on the Natural Resource Management Gateway: <https://corpsslakes.erdc.dren.mil/employees/sign/manual.cfm>.

4. My point of contact on this matter is Mr. AJ Jensen, National Sign Program Manager, at AJ.Jensen@usace.army.mil or (816)389-3840.
