

PHILLIPS 66 – KAW LAKE, TULSA DISTRICT

5

Phillips 66 supports local improvement projects supporting recreation and environmental stewardship at Kaw Lake that align with their organizational goals such as: public recreation, outdoor education and environmental stewardship, public safety, and youth education and outdoor involvement.

- Partnership established in 2016
- Projects have included partnerships with the City of Kaw City, Kaw Lake Educational Foundation, P66 Veterans Network and the Kaw Lake Association
- Funds donated to date for partnership in excess of \$243,000 over the eight-year span
- Partnership with P66 employee groups supports long term work projects and maintenance activities
- Partnership has allowed for recreational and environmental stewardship projects and improvements that would not have happened otherwise due to limited budgets and rising costs
- Increased safety/ opportunities for visiting public
- Localized and National social media recognition to share our story
