3. Subject to the provisions in section 213, as amended, I hereby delegate to District Commanders the responsibility and authority to enter into cooperative agreements with non-Federal public and nonprofit entities and youth service and conservation corps organizations for natural resources conservation and recreation management at USACE Civil Works projects. Although not a limitation on the authority of any official named herein to act on my behalf as indicated, in those cases where a proposed action or decision represents a change in precedent or policy; is of significant White House, Congressional, Department or public interest; or has been, or should be, of interest or concern to me for any reason, an official designated by the DCW will brief me before taking any action or making a decision unless the exigencies of the situation prevent the briefing.
