MEMORANDUM FOR

Commander, Baltimore District, 10 S. Howard Street, Crescent Building, Baltimore, MD 21201-1715

Commander, New England District, 696 Virginia Road, Concord, MA 01742-2751

Commander, New York District, 26 Federal Plaza, New York, NY 10278-0090

Commander, Norfolk District, 803 Front Street, Norfolk, VA 23510

Commander, Philadelphia District, Wanamaker Building, 100 Penn Square East, Philadelphia, Pennsylvania, 19107-3390

SUBJECT: Delegation of Authority under Section 213(a) of the Water Resources Development Act (WRDA) of 2000

1. The Secretary of the Army has delegated the authority to enter into WRDA 2000, section 213(a) cooperative agreements, to the Assistant Secretary of the Army for Civil Works (ASA(CW)), who then re-delegated the authority to the Deputy Commanding General for Civil and Emergency Operations (DCG-CEO). On 4 February 2015, the DCG-CEO re-delegated this authority to all MSC commanders. Section 213(a) authorizes the U.S. Army Corps of Engineers (USACE) to enter into cooperative agreements with non-Federal public and nonprofit entities for services relating to natural resources conservation or recreation management to further training and educational opportunities at USACE Civil Works projects (Enclosure 1 – Section 213 WRDA 2000).
2. Subject to the provisions in section 213(a), I hereby delegate, to District Commanders, the responsibility and authority to enter into cooperative agreements with non-Federal public and nonprofit entities for natural resources conservation and recreation management at USACE Civil Works projects. This authority cannot be further delegated.
3. This re-delegation will not take effect until a record copy of this memo has been provided from my office through the DCG-CEO's office to the ASA(CW) for archiving. Should conditions warrant, you will suspend the use of and/or rescind any re-delegation of this authority, as appropriate.
4. Upon receiving delegated authority, the Fort Worth District, in cooperation with the Natural Resources Management Branch, HQUSACE, will begin action to prepare a National cooperative agreement with a nonprofit organization to further training and educational opportunities to provide natural resources conservation and recreation management services at USACE Civil Works projects nationwide. All divisions and districts with delegated section 213(a) authority will be able to use this National

agreement. Specific administrative procedures to obtain such services will be provided upon the award of the National agreement.

5. In addition to the National Cooperative Agreement, this delegated authority will allow your district to enter into separate agreements with other qualifying section 213(a) non-Federal public and nonprofit entities to further training and educational opportunities for services relating to natural resources conservation or recreation management at USACE Civil Works projects. For each instrument awarded pursuant to this delegation, the districts shall ensure the following documents are part of the agreement and supporting file:

a. A memorandum documenting the basis for use of these authorities and the instrument's compliance with DoD Directive 3210.06, Defense Grant and Agreement Regulatory System.

b. All cooperative agreements must use the standard OMB forms for assistance, budget and assurances (i.e., SF 424, 424A and 424B) and include a certificate of authority from the applicant's attorney; a certification regarding Environmental Tobacco Smoke; a certification regarding Lobbying, Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements.

c. A record of legal review by USACE district counsel before solicitation and award.

d. Documentation that the award was signed by an authorized grants officer.

6. An annual report of all cooperative agreements executed each fiscal year shall be provided through my office to the HQUSACE Natural Resources Branch Chief by 15 November each year. The report format will be provided under separate cover.

7. Although not a limitation on the authority of any official named herein to act on the behalf of the Secretary of the Army, in those cases where a proposed action or decision represents a change in precedent or policy; is of significant White House, Congressional, Department or public interest; or has been, or should be of interest or concern to me, the DCG-CEO, the ASA(CW) or Secretary of the Army, an official designated by you will brief me before taking the action or making the decision unless the exigencies of the situation prevent the briefing.

8. I support this action which will help accomplish critical natural resource conservation and recreation work at our projects while providing meaningful work experience for young adults and Veterans, our next generation of natural resource managers.
