However, no user fees may be charged by the Lessee for use of facilities developed in whole or in part with federal funds if a user charge by the Corps of Engineers for the facility would be prohibited under law. All monies received by the Lessee from operations conducted on the Premises must be utilized by the Lessee for the administration, maintenance, operation and development of the Premises. Any such monies not so utilized or programmed for use within a reasonable time shall be paid to the Lessor at the end of each 5-year period. The statements referred to herein shall be in such form and style and contain such details and breakdown as the Lessor may reasonably require.

10. DEVELOPMENT AND MANAGEMENT PLANS

The Lessee shall construct, operate and maintain the Premises in accordance with this Lease. 13. INSURANCE

a. The Lessee shall in any event and without prejudice to any other rights of the Lessor bear all risk of loss or damage or destruction to the Premises, and any building(s), improvements, fixtures, or other property thereon owned or constructed by the Lessor (hereafter "Lessor-Improvements), arising from any causes whatsoever, to the extent such loss or damage is not covered by coverage of insurance required under this Lease.

b. During the entire term of this Lease, the Lessee, at no expense to the Lessor, shall procure and maintain Property Insurance upon all Lessor-Improvements and personal property owned by the Lessor with coverage for perils as set forth under the Causes of Loss-Special Form or its equivalent, with coverage extended for the perils of flood and earthquake, in an amount equal to full insurable

replacement cost. Such insurance shall contain an agreed valuation provision in lieu of any co-insurance clause, an ordinance and law endorsement, debris removal coverage, and a waiver of subrogation endorsement in favor of the Lessor. The replacement value of Lessor-Improvements and personal property shall be subject to adjustment at the request of the Lessor not more frequently than once in any twenty-four-month period, unless there have been substantial changes to any Lessor-Improvements within such period. Such insurance shall have a deductible no greater than \$10,000, unless otherwise approved in writing by the Lessor.

c. The Property Insurance policy shall provide that in the event of loss thereunder, the proceeds of such policy, at the election of the United States, shall be payable to the Lessee to be used solely for the repair, restoration or replacement of the property damaged or destroyed, and any balance of the proceeds not required for such repair, restoration or replacement shall be paid to the United States. If the United States does not elect by notice in writing to the insurer within sixty (60) days after the damage or destruction occurs to have the proceeds paid to the Lessee for the purpose hereinabove set forth, then such proceeds shall be paid to the United States, provided however that the insurer, after payment of any proceeds to the Lessee in accordance with the provision of the Property Insurance policy, shall have no obligation or liability with respect to the use or disposition of the proceeds by the Lessee. Nothing herein contained shall be construed as an obligation upon the United States to repair, restore or replace the Premises or any part thereof.

d. During the entire term of this Lease, the Lessee, at no expense to the Lessor, shall procure and maintain Commercial General Liability Insurance, including Contractual Liability Insurance coverage, covering Lessee's operations on the Premises, with combined single limits of not less than \$5,000,000.00 per occurrence for bodily injury or property damage, naming the Lessor as an additional insured. Such insurance shall be endorsed to provide that the insurance shall be primary to and not contributory to any other insurance and shall contain a severability of interest clause.

e. Insurance policies required by this Condition 13, shall be issued by insurance companies licensed to do business in the state of Minnesota, with general policyholder's ratings of at least A- and a financial rating of at least VIII in the most current Best's Insurance Reports available on the date the Lessee obtains or renews the insurance policies. If the Best's ratings are changed or discontinued, the Parties shall agree to an equivalent method of rating insurance companies. Each policy will provide that any losses shall be payable notwithstanding any act or failure to act or negligence of the Lessee or the Lessor or any other person and will provide that the insurer will have no right of subrogation against the Lessor. Under no circumstances will the Lessee be entitled to assign to any third-party rights of action that it may have against the Lessor arising out of this Lease.

f. Prior to taking occupancy, Lessee shall furnish Lessor with certified copies of all insurance policies required above. All insurance policies shall provide for 30 days' written notice to Lessor prior to the cancellation or material change of any insurance referred to therein.

14. INDEMNITY

a. The Lessee agrees to assume all risks of loss or damage to property and injury or death to persons by reason of or incident attributable or incident to the condition or state of repair of the

Premises or to its possession and/or use of the Premises or the activities conducted under this Lease. The Lessee expressly waives all claims against the Government for any such loss, damage, personal injury, or death caused by or occurring as a consequence of such condition, possession and/or use of the Premises by the Lessee, or the conduct of activities or the performance of responsibilities under this Lease by the Lessee. The Lessee further agrees to indemnify and hold harmless the Government, its officers, agents, and employees from and against all suits, claims, demands or actions, liabilities, judgments, costs, and attorneys' fees arising out of, or in any manner predicated upon, personal injury, death, or property damage resulting from, related to, caused by, or arising out of the possession and/or use of the Premises by the Lessee. The Government will give the Lessee notice of any claim against it covered by this indemnity as soon after learning of such claim as practicable. The Lessee's obligation under this Condition 14.a shall survive the expiration or termination of this Lease. The Lessee's obligation hereunder shall apply whenever the Government incurs costs or liabilities for the Lessee's actions giving rise to liability under this Condition 14.

b. The Lessee shall indemnify and hold harmless the United States of America from any costs, expenses, liabilities, fines, or penalties resulting from discharges, releases, emissions, spills, storage, disposal, or any other action by the Lessee giving rise to United States of America liability, civil or criminal, or responsibility under Federal, state, or local environmental laws. The Lessee shall hold the United States harmless from any and all liability, responsibility or claims related to its operations on the property comprising the Leased Premises, including any responsibility or liability associated with the use, storage, treatment or disposal of any hazardous material on the property by the Lessee, and shall take all actions necessary to protect the property, and all other affected property from any damage, including any releases of hazardous materials on or from the property.

c. The Lessee's obligations under this Condition 14 shall apply to all risks of loss or damage to property and injury or death to persons by reason of, or incident to, the possession and/or use of the Premises by the Lessee, the Lessee's officers, agents, servants, employees, or others (excluding those employees or agents of the Government who are on the Premises for the purpose of performing official duties) who may be on the Premises at their invitation or the invitation of any one of them (the "Lessee Parties"), or the activities conducted by or on behalf of the Lessee Parties under this Lease.

15. RESTORATION

On or before the earlier of expiration, revocation, or termination date of this Lease, the Lessee shall vacate the Premises, remove the property of the Lessee, including all Lessee-improvements, and restore the Premises to a condition satisfactory to the Lessor. If, however, this Lease is terminated by the Lessor because the Lessee is in default with any of the material terms of this Lease, the Lessee shall vacate the Premises, remove said property and Lessee-improvements, and restore the Premises to the aforesaid condition within such time as the Lessor may designate. In either event, if the Lessee shall fail or neglect to remove said property and Lessee-improvements and restore the Premises, or, at the sole specific discretion of the Lessor, title to all or part of said property shall pass to the United States without compensation therefor in lieu of some or all Lease restoration requirements under this clause. The Lessee shall also pay the United States on demand any sum which may be expended by the United States after the expiration, revocation, or

termination of this Lease in restoring the Premises, or any sums expended by the United States for restoration (including, but not limited to environmental responses) of or damages to any other property or any person as a result of the Lessee's operations on the Premises.

16. NON-DISCRIMINATION

a. The Lessee shall not discriminate against any person or persons or exclude them from participation in the Lessee's operations, programs or activities conducted on the Premises, because of race, color, religion, sex, sexual orientation, gender identity age, handicap, or national origin pursuant to Executive Order 13672, 21 July 2014. This assurance shall be binding on the Lessee, its agents, successors, transferees, sub-Lessees and assignees.

c. This contract is subject to Executive Order 11246, the regulations issued by the Secretary of Labor in 41 CFR part 60-1.4 to pursuant to the Executive Order, and the following provisions.

(1) The Lessee will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Lessee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Lessee agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The Lessee will, in all solicitations or advancements for employees placed by or on behalf of the Lessee; state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The Lessee will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another

employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Lessor's legal duty to furnish information.

(4) The Lessee will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the Lessee's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Lessee will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Lessee will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Lessee's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the Lessee may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Lessee will include the provisions of paragraphs (1) through (8) in every sub-Lease or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each sub-Lessee or vendor. The Lessee will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the Lessee becomes involved in, or is threatened with, litigation with a sub-Lessee or vendor as a result of such direction, the Lessee may request the United States to enter into such litigation to protect the interests of the United States." 17. MINIMUM WAGE REQUIREMENTS

a. The Parties expressly stipulate this contract is subject to Executive Order 13658, the regulations issued by the Secretary of Labor in 29 CFR part 10 pursuant to the Executive Order, and the following provisions.

b. Minimum Wages.

(1) Each worker (as defined in 29 CFR 10.2) engaged in the performance of work under the Lease or any sub-Lease, regardless of any contractual relationship which may be alleged to exist between the Lessor and worker, shall be paid not less than the applicable minimum wage under Executive Order 13658.

(2) The minimum wage required to be paid to each worker performing work on or in connection with this contract between January 1, 2020 and December 31, 2020 shall be \$10.80 per hour. The minimum wage shall be adjusted each time the Secretary of Labor's annual determination of the applicable minimum wage under section 2(a)(ii) of Executive Order 13658 results in a higher minimum wage. Adjustments to the Executive Order minimum wage under section 2(a)(ii) of Executive Order 13658 will be effective for all workers subject to the Executive Order beginning January 1 of the following year. If appropriate, the contracting officer, or other agency official overseeing this contract shall ensure the Lessee is compensated only for the increase in labor costs resulting from the annual inflation increases in the Executive Order 13658 minimum wage beginning on January 1 of the following year. The Secretary of Labor will publish annual determinations in the Federal Register no later than 90 days before such new wage is to take effect. The Secretary will also publish the applicable minimum wage on www.wdol.gov (or any successor Web site). The applicable published minimum wage is incorporated by reference into this contract.

(3) The Lessee shall pay unconditionally to each worker all wages due free and clear and without subsequent deduction (except as otherwise provided by 29 CFR 10.23), rebate, or kickback on any account. Such payments shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Executive Order may not be of any duration longer than semi-monthly.

(4) The prime Lessee and any upper-tier sub-Lessee shall be responsible for the compliance by any sub-Lessee or lower-tier sub-Lessee with the Executive Order minimum wage requirements. ~~In the event of any violation of the minimum wage obligation of this clause, the Lessee and any sub-Lessee(s) responsible therefore shall be liable for the unpaid wages.~~

(5) If the commensurate wage rate paid to a worker on a covered contract whose wages are calculated pursuant to a special certificate issued under 29 U.S.C. 214(c),

whether hourly or piece rate, is less than the Executive Order minimum wage, the Lessee must pay the Executive Order minimum wage rate to achieve compliance with the Order. If the commensurate wage due under the certificate is greater than the Executive Order minimum wage, the Lessee must pay the 14(c) worker the greater commensurate wage.

c. Withholding. The agency head shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the prime Lessee under this or any other Federal contract with the same prime Lessee, so much of the accrued payments or advances as may be considered necessary to pay workers the full amount of wages required by Executive Order 13658.

d. Contract Suspension/Contract Termination/Lessee Debarment. In the event of a failure to pay any worker all or part of the wages due under Executive Order 13658 or 29 CFR part 10, or a failure to comply with any other term or condition of Executive Order 13658 or 29 CFR part 10, the contracting agency may on its own action or after authorization or by direction of the Department of Labor and written notification to the Lessee, take action to cause suspension. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the Lease. A breach of the contract clause may be grounds for debarment as a Lessee and sub-Lessee as provided in 29 CFR 10.52.

e. The Lessee may not discharge any part of its minimum wage obligation under Executive Order 13658 by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Act, the cash equivalent thereof.

f. Nothing herein shall relieve the Lessee of any other obligation under Federal, State or local law, or under contract, for the payment of a higher wage to any worker, nor shall a lower prevailing wage under any such Federal, State, or local law, or under contract, entitle a Lessee to pay less than **\$10.80 (or the minimum wage as established each January thereafter)** to any worker.

g. Payroll Records.

(1) The Lessee shall make and maintain for three years records containing the information specified in paragraphs (g)(1) (i) through (vi) of this section for each worker and shall make the records available for inspection and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

- (i) Name, address, and social security number.
- (ii) The worker's occupation(s) or classification(s).
- (iii) The rate or rates of wages paid.
- (iv) The number of daily and weekly hours worked by each worker.
- (v) Any deductions made; and,
- (vi) Total wages paid.

(2) The Lessee shall also make available a copy of the contract, as applicable, for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of 29 CFR part 10 and this contract, and in the case of failure to produce such records, the contracting officer, upon direction of an authorized representative of the Department of Labor, or under its own action, shall take such action as may be necessary to cause suspension of any further payment or advance of funds until such time as the violations are discontinued.

(4) The Lessee shall permit authorized representatives of the Wage and Hour Division to conduct investigations, including interviewing workers at the worksite during normal working hours.

(5) Nothing in this clause limits or otherwise modifies the Lessee's payroll and recordkeeping obligations, if any, under the Davis-Bacon Act, as amended, and its implementing regulations; the Service Contract Act, as amended, and its implementing regulations; the Fair Labor Standards Act, as amended, and its implementing regulations; or any other applicable law.

h. The Lessee (as defined in 29 CFR 10.2) shall insert this clause in all covered subcontracts and shall require its sub-lessees to include this clause in any covered lower-tier subcontracts. The Lessee and any sub-Lessees' shall be responsible for the compliance by any sub-lessee with this contract clause.

i. Certification of Eligibility.

(1) By entering into this contract, the Lessee (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the Lessee's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Act, section 3(a) of the Davis-Bacon Act, or 29 CFR 5.12(a)(1).

(2) No part of this contract shall be subcontracted to any person or firm whose name appears on the list of persons or firm's ineligible to receive Federal contracts.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

j. Tipped employees. In paying wages to a tipped employee as defined in section 3(t) of the Fair Labor Standards Act, 29 U.S.C. 203(t), the Lessee may take a partial credit against the wage payment obligation (tip credit) to the extent permitted under section 3(a) of Executive Order 13658. In order to take such a tip credit, the employee must receive an amount of tips at least equal to the amount of the credit taken; where the tipped employee does not receive sufficient tips to equal the amount of the tip credit the Lessee must increase the cash wage paid for the workweek so that the amount of cash wage paid and the tips received by the employee equal the applicable minimum wage under Executive Order 13658. To utilize this provision:

(1) The employer must inform the tipped employee in advance of the use of the tip credit;

(2) The employer must inform the tipped employee of the amount of cash wage that will be paid and the additional amount by which the employee's wages will be considered increased on account of the tip credit;

(3) The employees must be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received); and

(4) The employer must be able to show by records that the tipped employee receives at least the applicable Executive Order minimum wage through the combination of direct wages and tip credit.

k. Antiretaliation. It shall be unlawful for any person to discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to Executive Order 13658 or 29 CFR part 10, or has testified or is about to testify in any such proceeding.

l. Disputes concerning labor standards. Disputes related to the application of Executive Order 13658 to this contract shall not be subject to the general Disputes clause of the contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR part 10. Disputes within the meaning of this contract clause include disputes between the Lessee (or any of its sub-Lessees') and the contracting agency, the U.S. Department of Labor, or the workers or their representatives.

m. Notice. The Lessee must notify all workers performing work on or in connection with a covered contract of the applicable minimum wage rate under the Executive Order. With respect to service employees on contracts covered by the Service Contract Act and laborers and mechanics on contracts covered by the Davis-Bacon Act, the Lessee may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers performing work on or in connection with a covered contract whose wages are governed by the FLSA, the Lessee must post a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by workers. Lessee that customarily post notices to workers electronically may post the notice electronically provided such electronic posting is displayed prominently on any Web site that is maintained by the Lessee, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

n. Unless the Lessee can demonstrate to the satisfaction of the Lessor in the form of a written determination or written correspondence from the U.S. Department of Labor that the Lessee or sub-Lessee is exempt therefrom, Lessee shall comply with the requirements of the Davis-Bacon Act, as amended, 40 U.S.C. § 3141, et seq. and the relevant rules, regulations, and orders of the Secretary of Labor applicable thereto.

18. SUBJECT TO EASEMENTS

This Lease is subject to all existing easements, or those subsequently granted, as well as

established access routes for roadways and utilities located, or to be located, on the Premises, provided that the proposed grant of any new easement or route will be coordinated with the Lessee, and the easements will not be granted which will, in the opinion of the Lessor, interfere with the use of the Premises by the Lessee.

19. SUBJECT TO MINERAL INTERESTS

This Lease is subject to all outstanding mineral interests. As to federally owned mineral interests, it is understood that they may be included in present or future mineral leases issued by the Bureau of Land Management (BLM) which has responsibility for mineral development on federal lands. The Lessor will provide Lease stipulations to BLM for inclusion in said mineral Leases that are designed to protect the Premises from activities that would interfere with the Lessee's operations or would be contrary to local law.

20. DEFAULT AND TERMINATION

a. Default. The following events shall be deemed to be an event of default (hereafter "Event of Default") by the Lessee under this Lease:

(1) Lessee shall fail to comply with any condition, provision, covenant, or warranty made under this Lease by Lessee and shall not cure such failure within thirty (30) days after written notice thereof to Lessee, unless said non-compliance is the subject of a shorter notice given by a federal, state, or local governmental agency, in which case the shorter notice shall apply. Lessee shall have such longer period as may be approved in writing in advance by the Lessor, to cure such default so long as the Lessee commences curing such default within the initial thirty (30) day period and diligently prosecutes such cure to completion in accordance with a schedule approved in writing by the Lessor.

(2) The Lessee's voluntarily filing for bankruptcy protection under Title 11 of the United States Bankruptcy Code ("Bankruptcy Code") or voluntarily becoming subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights, or having an involuntary case commenced against the Lessee by any creditor of the Lessee pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights and is not dismissed or discharged within sixty (60) days after filing.

(3) Lessee shall become insolvent, shall make a transfer in fraud of creditors, or shall make an assignment for the benefit of creditors.

(4) A receiver or trustee shall be appointed for the Premises, or for all or substantially all, of the assets of the Lessee.

(5) Lessee shall do or permit to be done anything which creates a lien upon the Premises.

(6) Lessee shall fail to comply with the prohibitions set forth under 10 U.S.C. 2692.

b. This Lease may be relinquished by the Lessee by giving Ninety (90) days prior written notice to the Lessor in the manner prescribed in the condition on **NOTICES**.

21. HEALTH AND SAFETY

a. The Lessee shall keep the Premises in good order and in a clean, safe condition by and at the expense of the Lessee.

b. In addition to the right of revocation for non-compliance previously stated, the Lessor, upon discovery of any hazardous condition on the Premises that present an immediate threat to health and/or danger to life or property, will so notify the Lessee and will require that the affected part or all of the Premises be closed to the public until such condition is corrected and the danger to the public eliminated. If the condition is not corrected the Lessor will have the option to (1) correct the hazardous condition and collect the cost of repairs from the Lessee, or (2) revoke the Lease. The Lessee shall have no claim for damages against the United States, or any officer, agent or employee thereof on account of action pursuant to this condition.

22. PUBLIC USE

The Lessee shall not forbid the full use by the public of the water areas of the project, subject however, to the authority and responsibility of the Lessee to carry out its responsibilities under this Lease to manage the Premises and provide safety and security to the facility users.

23. PROHIBITED USES

a. The Lessee shall not permit gambling on the Premises or install or operate, or permit to be installed or operated thereon, any device which is illegal, or use the Premises or permit them to be used for any illegal business or purpose. There shall not be conducted on or permitted on the Premises any activity which would constitute a nuisance. As an exception, some games of chance, such as raffles, games and sporting events, may be conducted by the Lessee if permissible by state and local law. Any request to conduct a game of chance must be submitted in writing to the Lessor.

b. Occupying any lands, buildings, vessels or other facilities within the Premises for the purpose of maintaining a full- or part-time residence is prohibited, except for employees residing on the Premises for security purposes, if authorized by the Lessor.

24. NATURAL RESOURCES

The Lessee shall cut no timber, conduct no mining operations, remove no sand, gravel, or kindred substances from the ground, commit no waste of any kind, nor in any manner substantially change the contour or condition of the Premises, except as may be authorized under and pursuant to the condition on **DEVELOPMENT AND MANAGEMENT PLANS**. The Lessee may salvage

fallen or dead timber on the Premises for use as firewood. Except for timber salvaged by the Lessee when in the way of construction of improvements or other facilities, all sales of forest products will be conducted by the United States and the proceeds therefrom shall not be available to the Lessee under the provisions of this Lease.

25. DISPUTES CLAUSE

a. Disputes Valued at \$10,000 or less (exclusive of interest). Except as otherwise provided in this Lease, any dispute between the Government and the Lessee arising under or related to this Lease involving \$10,000.00 (exclusive of interest) or less shall be decided by the Real Estate Contracting Officer (RECO). The RECO shall reduce his or her decision to writing and mail or otherwise furnish a copy to the Lessee. With respect to any such dispute, the Lessee agrees that the decision of the RECO shall be final and conclusive and shall not be appealable or otherwise subject to challenge.

b. Disputes Valued at More than \$10,000 (exclusive of interest) but not exceeding \$25,000. The Lessee and the Government agree that the following procedures constitute the administrative procedures that must be exhausted with respect to any dispute arising under or related to this Lease involving more than \$10,000 (exclusive of interest) but not exceeding \$25,000, before the Lessee or the Government may pursue any other remedy that is available to it pursuant to this Lease or law. Any dispute involving more than \$10,000.00 (exclusive of interest) but not exceeding \$25,000 shall be decided by the Chief of Real Estate, U.S. Army Corps of Engineers Mississippi Valley Division (hereafter "Division"). The Division Chief of Real Estate shall reduce his or her decision to writing and mail or otherwise furnish a copy thereof to the Lessee. With respect to any such dispute, the Lessee agrees that the decision of the Division shall be final and conclusive and shall not be appealable or otherwise subject to challenge.

c. Disputes Valued at More than \$25,000 (exclusive of interest). The Lessee and the Government agree that the following procedures constitute the administrative procedures that must be exhausted with respect to any dispute arising under or related to this Lease involving more than \$25,000 before the Lessee or the Government may pursue any other remedy that is available to it pursuant to this Lease or Law. Any dispute involving more than \$25,000 shall be decided by the Director of Real Estate, U.S. Army Corps of Engineers (hereafter "Director"). The Director shall reduce his or her decision to writing and mail or otherwise furnish a copy thereof to the Lessee. The decision of the Director shall be final and conclusive unless, within thirty (30) calendar days from the date of receipt of the decision, the Lessee appeals the decision, by certified mail, to the Deputy Assistant Secretary of the Army (Installations, Housing & Partnerships), and delivers a copy of its appeal to the Director by certified mail. The Deputy Assistant Secretary of the Army (Installations, Housing & Partnerships) shall render a decision by a date mutually agreed upon by the Parties. Either Party shall have the right to appeal the decision of the Deputy Assistant Secretary of the Army (Installations, Housing & Partnerships) or his or her authorized representative to a court of competent jurisdiction in a timely manner, consistent with Condition 23.c; otherwise the decision of the Deputy Assistant Secretary of the Army (Installations, Housing & Partnerships) shall be final.

d. Judicial Review. The Lessee or the Government, after exhausting the administrative remedies specified in Condition 23.b, may: (i) Pursue any remedy available to it under the law; or (ii) Before or in conjunction with pursuing any remedy that is available to it under law, by mutual agreement, submit the dispute to an alternative dispute resolution procedure, other than binding arbitration, authorized by the Administrative Dispute Resolution Act of 1996, (5 U.S.C. §§ 571-581).

e. Opportunity to be Heard and to Offer Evidence. In connection with any dispute between the Parties, each of the Lessee and the Government shall be afforded an opportunity to be heard and to offer evidence in support of its position.

f. The Lessee shall proceed diligently with the performance of the Lease, pending final resolution of any request for relief, claim, or action arising under the Lease, and comply with any decision of the Director or Deputy Assistant Secretary of the Army (Installations, Housing & Partnerships).

26. ENVIRONMENTAL PROTECTION

a. The Lessee, including the Lessee's subtenants/successors or assigns, employees, agents, contractors and invitees of any of them, shall be liable for damages to natural resources caused by their activities on the Premises, and where damage nonetheless occurs from activities of the Lessee, including the Lessee's subtenant/successors or assigns, employees, agents, contractors and invitees of any of them, the Lessee shall be liable to restore the damaged such resources.

b. The Lessee is required to participate in all aspects of an Environmental Review Guide for Operations (ERGO) assessment, including but not limited to pre-briefings, the Outgrant Pre-Visit Questionnaire, the assessment, exit briefings, etc., of their outgranted area. The Lessee shall promptly initiate and complete all necessary corrective actions, as determined and directed by the Lessor in order to fully resolve those findings contained in Environmental Assessment Reports that the District Engineer determines must be implemented. Failure of the Lessee to take the required corrective action(s) identified in the ERGO assessments may be referred to the appropriate enforcement agency who will render final determinations with respect to compliance with relevant laws or regulations. Continued non-compliance by the Lessee may also serve as grounds for revocation of this Lease.

c. The Lessee shall require all sanitation facilities on boats moored at the Lessee's facilities, including rental boats, to be sealed against any discharge into the lake. Services for waste disposal, including sewage pump-out of watercraft, shall be provided by the Lessee's as appropriate. The Lessee shall not discharge waste or effluent from the Premises in such a manner that the discharge will contaminate streams or other bodies of water or otherwise become a public nuisance.

d. The Lessee must obtain approval in writing from the Government before any pesticides or herbicides are applied to the Premises.

27. HISTORIC PRESERVATION

Except as may be otherwise provided in the Agreement, the Lessee shall not remove or disturb, or cause or permit to be removed or disturbed, any historical, archaeological, architectural or other cultural artifacts, relics, remains or objects of antiquity. In the event such items are discovered on the Premises, the Lessee shall immediately notify the Lessor and protect the site and the material from further disturbance until the Lessor gives clearance to proceed.

28. SOIL AND WATER CONSERVATION

The Lessee shall maintain, in a manner satisfactory to the Lessor, all soil and water conservation structures that may be in existence upon said Premises at the beginning of or that may be constructed by the Lessee during the term of this Lease, and the Lessee shall take appropriate measures to prevent or control soil erosion within the Premises. Any soil erosion occurring outside the Premises resulting from the activities of the Lessee shall be corrected by the Lessee as directed by the Lessor.

29. COVENANT AGAINST CONTINGENT FEES

The Lessee warrants that no person or selling agency has been employed or retained to solicit or secure this Lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bon fide employees or established commercial or selling agencies maintained by the Lessee for the purpose of securing business. For breach or violation of this warranty, the United States shall have the right to annul this Lease without liability or, in its discretion, to require the Lessee to pay, in addition to the Lease rental or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

30. MODIFICATIONS

No modification of this Lease, or waiver, or consent hereunder shall be valid unless the same be in writing, signed by the Parties to be bound or by a duly authorized representative; and this provision shall apply to this condition as well as all other conditions of this Lease.

31. DISCLAIMER

This Lease is effective only insofar as the rights of the United States in the Premises are concerned; and the Lessee shall obtain any permit or license which may be required by Federal, state or local statute in connection with the use of the Premises. It is understood that the granting of this Lease does not preclude the necessity of obtaining any Department of the Army permit for activities which involve the discharge of dredge or fill material or placement of fixed structures in the waters of the United States pursuant to the provisions Section 10 of the Rivers and Harbors Act of 3 March 1899 (33 USC 403), and Section 404 of the Clean Water Act (33 USC 1344).

32. IDENTIFICATION OF GOVERNMENT AGENCIES, STATUTES, PROGRAMS AND FORMS

Any reference in this Lease, by name or number, to a government department, agency, statute, regulation, program, or form shall include any successor, amendment, or similar department, agency, statute, regulation, program or form.

33. NO INDIVIDUAL LIABILITY OF GOVERNMENT OFFICIALS

No covenant or agreement contained in this Lease shall be deemed to be the covenant or agreement of any individual officer, agent, employee or representative of the Government, in his or her individual capacity and none of such persons shall be subject to any personal liability or accountability by reason of the execution of this Lease, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty, or otherwise.

PRIOR TO execution of this Lease, the following site-specific Conditions have been added hereto and made a part hereof:

b. All truck deliveries of supplies, equipment, and/or materials for construction and facility operation and maintenance activities must be conducted in such a manner so as to not interfere with normal recreation area operations.

37. PROGRAMMATIC AGREEMENT

On April 29, 2019, the U.S. Army Corps of Engineers, St. Paul District and the Minnesota State Historic Preservation Office entered into a Programmatic Agreement regarding the issuance of a Lease to allow for the construction of a National Loon Center at the Cross Lake Recreation Area, Crow Wing County, Minnesota, attached hereto and made a part hereof as **Exhibit C**. The Lessee and Lessor agree to comply with all terms and conditions of said Programmatic Agreement and shall be binding upon the Lessee and Lessor.

38. CORPORATE SPONSORSHIPS

Such requests must be submitted in writing to Lessor, and any requests giving the appearance of the Government endorsing any corporate sponsor, brand, or product will not be approved.

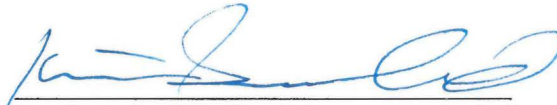

39. NON-COMPLIANCE

Failure, on the part of the Lessee, to satisfactorily correct any substantial or persistent non-compliance findings within the timeframe specified by the Real Estate Contracting Officer shall be grounds for closure of all or part of the Premises, temporary suspension of National Loon Center Foundation operations, or revocation of the Lease, after notice in writing of such intent.

THE MINNESOTA STATE HISTORIC PRESERVATION OFFICE
REGARDING
THE ISSUANCE OF A LEASE TO ALLOW FOR
THE CONSTRUCTION OF A NATIONAL LOON CENTER AT THE
CROSS LAKE RECREATION AREA
CROW WING COUNTY, MINNESOTA**

25 April 2019

WHEREAS, the U.S. Army Corps of Engineers, St. Paul District (Corps) owns, operates, and manages the Cross Lake Recreation Area (CLRA) pursuant to the Rivers and Harbors Acts of 1880 (21 Stat. 180) and 1882 (22 Stat. 191), the Flood Control Act of 1944 (Public Law 78-534), and the Federal Water Project Recreation Act of 1965 (16 U.S.C. § 460l-12, *et seq.*; Public Law 89-72); and

WHEREAS, the Corps is evaluating an application from the National Loon Center Foundation (NLCF) requesting issuance of a lease from the Corps under 16 U.S.C. § 460d, to construct a National Loon Center and associated facilities (Project) at the CLRA; and

WHEREAS, the Corps has determined that the issuance of a lease is a federal undertaking subject to the requirements of Section 106 of the National Historic Preservation Act of 1966, as amended (54 U.S.C. 306108, *et seq.*) (NHPA), and the Advisory Council on Historic Preservation's (ACHP) implementing regulations, 36 CFR Part 800; and

WHEREAS, the Corps, in consultation with the Minnesota State Historic Preservation Office (SHPO), has defined the area of potential effect (APE) for the Project as documented in Attachment A. The APE includes all areas of potential direct effects in the Project area as well as areas where indirect effects may be caused by the Project. The APE as documented in Attachment A is based on the Project as proposed at the time of execution of this Programmatic Agreement (PA); and

WHEREAS, the APE for the Project may be further refined as a result of additional consultation and as plans for the Project are further developed; and

WHEREAS, the Corps has initially identified two potential historic properties within the APE. These previous property evaluations are considered by the Corps as being either outdated or incomplete and therefore the two properties warrant additional evaluation for NRHP eligibility under the terms of this PA. The Corps will continue to complete identification and evaluation efforts for these properties and any other currently unidentified properties as stipulated in this PA; and

WHEREAS, the Corps will not be able to complete consultation regarding the final identification of historic properties for the Project prior to the completion of the environmental document for compliance with the National Environmental Policy Act (NEPA), making execution of this PA for the Project appropriate pursuant to the NHPA and 36 CFR § 800.14(b)(1)(ii); and

EXHIBIT B

LESSEE RESPONSIBILITIES
FACILITY OPERATION AND MAINTENANCE PLAN

WHEREAS, pursuant to 36 CFR § 800.2(c)(1) the Corps has consulted with the SHPO on the proposed Project plans and has determined that review and consultation pertaining to additional design development for the Project will be needed in order for the Corps to fully assess the potential effects to historic properties, including those identified through additional survey; and

No tribes have accepted the invitation to sign this PA as a concurring party; however, the Corps will continue to consult with tribes that may attach religious and cultural significance to historic properties as stipulations are met. This consultation is not limited to those tribes that may have participated in the development of this PA; and

WHEREAS, the NLCF, as the non-Federal sponsor for this Project, has participated in consultation; and has been invited to sign this PA as an "invited signatory" pursuant to 36 CFR § 800.6(c)(2) due to the fact that it will have responsibilities under this PA; and

WHEREAS, pursuant to 36 CFR § 800.2(d), public involvement and an appropriate level of public notification for the Project has been coordinated with the concurrent scoping, public review and comment, public meetings, and technical reviews as required under NEPA and its implementing regulations; and

WHEREAS, pursuant to 36 CFR § 800.6(a)(1), the Corps has notified the ACHP of its decision to enter into this PA, and has provided the documentation specified in 36 CFR § 800.6(a)(1), and the ACHP has chosen not to participate in this PA;

NOW, THEREFORE, the Corps and the SHPO agree that upon execution of this PA, the Corps shall ensure that any lease instrument that is issued for the proposed Project shall be conditioned to incorporate the following stipulations to account for the potential effects of the undertaking on historic properties.

- J. Following completion of review and consultation as required under Stipulation II (G-I), the NLCF and its consultants shall submit the final report and any associated historic property inventory forms to the Corps, and the Corps will submit these documents to SHPO for incorporation into the statewide historic property records inventory. The Project design must effectively meet the Project purpose and need while avoiding, minimizing, and/or mitigating adverse effects to historic properties.
- B. The NLCF or its consultant shall review the Project plans and apply the criteria of adverse effect as established in 36 CFR § 800.5(a). Based on this review, the NLCF shall provide the Corps with a fully documented recommendation of effect for all historic properties in the APE pursuant to 36 CFR § 800.5. Following review and approval of the recommendation of effect, the Corps shall complete the findings of effect and continue to Stipulation III (C).
- C. If the Corps determines the Project will not adversely affect historic properties within the APE based upon the assessment and documentation provided under Stipulation III (B), then the Corps will make a No Adverse Effect finding in accordance with 36 CFR § 800.5(b) and submit this fully documented finding, in accordance with 36 CFR § 800.11(e), to the SHPO and Tribes, who shall have thirty (30) days to review and provide written comments to the Corps.

- D. If the Corps receives agreement from the SHPO and no written objections are issued by any party regarding the Corps' finding of No Adverse Effect within the 30-day review period, then the NLCF may proceed with development of subsequent Project designs in accordance with the No Adverse Effect finding, per 36 CFR § 800.5(c)(1).
- E. If the SHPO or a Tribe does not agree with the Corps' No Adverse Effect finding and specifies reasons for the disagreement in writing within the 30-day review period, the Corps shall notify the NLCF of the disagreement and the Corps will either consult further with the SHPO to resolve the disagreement or request ACHP review pursuant to 36 CFR § 800.5(c)(2).
- F. If the Corps determines the Project will have an Adverse Effect, the Corps shall resolve the adverse effect pursuant to Stipulation IV.

STIPULATION IV. RESOLUTION OF ADVERSE EFFECTS

- A. If the Corps determines, pursuant to review and consultation under Stipulation III of this PA, that the Project will have adverse effects on historic properties, the Corps shall consult with the Parties to this PA and consulting Tribes, as applicable, to resolve the Adverse Effect including first consideration of whether or not the Adverse Effect may be avoided through modification of Project design or other measures.
- B. If the Parties to this PA and consulting Tribes, if applicable, reach agreement in writing on modifications or measures to avoid adverse effects and essentially revise the finding to a No Adverse Effect finding, then the Corps shall document the agreement in the Corps' administrative record for the Project and share findings with the Parties to this PA and consulting Tribes, as applicable. The Project shall then be carried out according to the Corps' written agreement to avoid adverse effects.
- C. If the Parties to this PA, and consulting Tribes, if applicable, fail to reach agreement on appropriate avoidance measures pursuant to Stipulation IV (A) of this PA, then the Corps shall make a determination that the Adverse Effect cannot be avoided and will continue consultation with the Parties and consulting Tribes, as applicable, pursuant to Stipulations IV (D-E) to determine appropriate minimization and/or mitigation measures to resolve the Adverse Effect. Pursuant to the notice standards set in 36 CFR § 800.6(a)(1), the Corps shall notify the ACHP of the Adverse Effect determination by providing the documentation specified in 36 CFR § 800.11(e). The ACHP shall use the criteria in Appendix A of 36 CFR Part 800 to determine whether it will participate in consultation to resolve the adverse effect and inform the Corps of its decisions within fifteen (15) calendar days of receipt.
- D. The Corps shall consult with the Parties to this PA and consulting Tribes, as applicable, to determine appropriate minimization and/or mitigation measures to resolve the Adverse Effect. Once an agreement has been reached in writing, the NLCF or its consultants shall develop a Mitigation Plan (Plan) for review and approval by the Corps that is appropriate to the historic property and the nature and scale of the Adverse Effect. The Plan shall incorporate minimization and mitigation measures agreed upon during consultation. The Corps shall provide a final draft of the Plan to the Parties to this PA and consulting Tribes, as applicable, who will have thirty (30) calendar days from receipt to review and provide comments. The NLCF or its consultants will incorporate the comments into the final Plan.
- E. The final Plan shall be agreed to in writing by the Corps and the Parties to this PA and will be carried out according to its terms in order to resolve adverse effects. If the Corps and the SHPO cannot come to an agreement on the Plan, Administrative Provision VI will be followed to resolve the dispute.

- F. If any agreed-upon mitigation included in the final Plan involves archaeological data recovery or some other historic property documentation, then Project construction activities may not begin until after the completion of the fieldwork for the data recovery or documentation and the Corps has provided written notification in this regard.

STIPULATION V. POST-REVIEW DISCOVERIES

- A. If previously unidentified historic properties, including human remains, are discovered unexpectedly during construction of the Project, or previously known historic properties are affected, or have been affected in an unanticipated adverse manner, all ground-disturbing activities will cease in the area of the historic property, as well as within one hundred (100) feet of it, to avoid and/or minimize harm to the property. The NLCF or its contractor will immediately notify the Corps of the discovery and implement interim measures to protect the discovery from damage, looting, and vandalism, including but not limited to protective fencing and covering of the discovery with appropriate materials. Upon receipt of the notification, the Corps shall notify the SHPO and Tribes and may inspect the construction site to ensure that construction activities have halted. The SHPO and Tribes may jointly confer at the site to assess the property and potential impacts, and to determine the most appropriate avoidance measures.
- B. **Non-Human Remains**
Within seventy-two (72) hours of the discovery of the remains, the NLCF shall have a qualified archaeologist, historian and/or architectural historian, as appropriate, who meets the SOI's *Professional Qualifications Standards* (36 CFR Part 61) for their respective field to record, document, and provide a recommendation to the Corps. The Corps will inform the SHPO and any tribes that may attach religious and cultural significance to the property, of the discovery.
- C. **Human Remains**
If an unmarked human burial or skeletal remains are encountered during construction activities, all ground disturbing activities will cease. The NLCF or its contractor will immediately notify the Corps and local law enforcement and the NLCF will bring in a qualified consultant as appropriate who meets the SOI professional qualification standards for his or her respective field. The NLCF consultant will comply with federal laws as well as take into account the ACHP's Policy Statement on the Treatment of Burial Sites.
1. If it is immediately obvious that the skeletal remains found are non-human and are in association with cultural material, the procedures described in Stipulation V (A) and (B) shall be followed.
 2. The Corps shall immediately notify the SHPO, and appropriate tribes within twenty-four (24) hours via email, fax, or telephone. The Corps will also notify the Office of the State Archaeologist (OSA) and Minnesota Indian Affairs Council (MIAC).
 3. If it is not certain whether the remains are human, all work will immediately cease within a 100-foot radius from the point of discovery and the NLCF consultant will secure the area. The NLCF consultant will place pin flags in a 100-foot radius around the discovery and ensure that appropriate measures are taken to protect the discovery from further disturbance. All human remains, regardless of ancestry, will be treated with dignity and respect.
 4. The police will investigate the human remains and contact the medical examiner. If the human remains are modern, the police and/or medical examiner will assume responsibility. If it is determined the remains are not modern or do not reflect a crime scene and/or the police relinquish their jurisdiction over the remains, the Corps will consult with the SHPO and appropriate tribes regarding additional steps to be followed.

5. If the human remains appear to be prehistoric or historic Native American, the Corps will meet the requirements of the Native American Graves Protection and Repatriation Act for all Native American human remains, funerary objects, sacred objects, and objects of cultural patrimony on a case-by-case basis, in accordance with 43 CFR Part 10. An action plan will be written for each case by the Corps in consultation with appropriate consulting parties.
6. Measures to protect the human remains and any associated artifact(s) will remain in effect until the remains and associated artifacts have been fully evaluated and appropriate treatment of the discovery (if applicable) has been completed. The contractor will not resume work in the vicinity of the find until the Corps has granted clearance to do so.

ADMINISTRATIVE PROVISIONS

VI. DISPUTE RESOLUTION

Should any party to this PA object at any time to any actions proposed or the manner in which the terms of the PA are implemented, the Corps shall consult with such party (or parties) to resolve the objection. The parties shall work cooperatively to achieve a consensus to resolve any disagreement. If the Corps determines the objection(s) cannot be resolved, the Corps shall:

- A. Forward all documentation relevant to the dispute, including the Corps' proposed resolution, to the ACHP. The ACHP shall provide the Corps with its advice on the resolution of the objection within thirty (30) days of receiving adequate documentation. Prior to reaching a final decision on the dispute, the Corps shall prepare a written response that takes into account any timely advice or comments regarding the dispute from the ACHP, signatories and concurring parties, and provide them with a copy of this written response. The Corps will then proceed according to its final decision.
- B. If the ACHP does not provide its advice regarding the dispute within the thirty (30) day time period, the Corps may make a final decision on the dispute and proceed accordingly. Prior to reaching such a final decision, the Corps shall prepare a written response that takes into account any timely comments regarding the dispute from the Signatory Parties, and provide them and the ACHP with a copy of such written response.
- C. Any comment provided by the ACHP or Signatory Party in response to a dispute shall be taken into account by the Corps with reference only to the subject of the dispute; the Signatory Parties' responsibility to carry out all other actions subject to the terms of this PA that are not the subject of the dispute remain unchanged.

VII. AMENDMENTS.

This PA may be amended when such an amendment is agreed to in writing by the Signatory Parties. Any party to this PA may request that it is amended, whereupon the parties shall consult in accordance with Administrative Provision VI of this PA. The amendment will be effective on the date that a signed copy of the amendment is filed with the ACHP.

VIII. DURATION

This PA will remain in effect for a period of five (5) years from the date of execution; at such time, if the terms of the PA have not been implemented, this PA will be null and void. If the Corps anticipates that the terms of this PA will not be completed within this timeframe it will notify the Signatory Parties in writing at least thirty (30) calendar days prior to the expiration date. This PA may be extended by the

written concurrence of the Signatory Parties. If this PA expires and the Corps elects to continue with the undertaking, then the Corps will reinstate review of the Project in accordance with 36 CFR Part 800.

IX. TERMINATION

A. If any Signatory Party to this PA determines that its terms will not or cannot be carried out, that party shall immediately consult with the other Signatory Parties to attempt to develop an amendment per Administrative Provision VII of this PA. If within thirty (30) days an amendment cannot be reached, any Signatory Party may terminate the PA upon written notification to other Signatory Parties.

B. Once the PA is terminated, and prior to work continuing on the undertaking, the Corps must either (a) execute a Memorandum of Agreement (MOA) pursuant to 36 CFR § 800.6 or (b) request, take into account, and respond to the comments of the ACHP under 36 CFR § 800.7. The Corps shall notify the Signatory Parties as to the course of action it will pursue.

X. OTHER LAWS, RULES, AND REGULATIONS

No provision of this PA, whether express or implied, is intended or designed to exempt any party from its respective obligations, duties, and responsibilities pursuant to any provisions of the NHPA, the ACHP's implementing regulations at 36 CFR Part 800, or the provisions of any other federal, state, or local law, regulation, rule or ordinance not specifically referenced herein.

XI. ANTI-DEFICIENCY PROVISION

All obligations on the part of the Corps under this PA shall be subject to the appropriation, availability, and allocation of sufficient funds to the Corps for such purposes.

XII. EXECUTION OF THIS PA

A. By their signature hereon, the signatories to this PA certify that they have the authority to sign for the organization or agency they represent and to bind said organization or agency to the terms, conditions, and stipulations herein contained.

B. This PA will become effective upon execution. The Corps will ensure each party is provided with a complete copy and that the final PA, updates to appendices, and any amendments are filed with the ACHP.

C. Execution and implementation of this PA evidences that the Corps has taken into account the effects of the proposed Project on historic properties and has afforded the ACHP opportunity to comment pursuant to Section 106 of the NHPA.

WHEREAS, the U.S. Army Corps of Engineers, St. Paul District (Corps) owns, operates, and manages the Cross Lake Recreation Area (CLRA) pursuant to the Rivers and Harbors Acts of 1880 (21 Stat. 180) and 1882 (22 Stat. 191), the Flood Control Act of 1944 (Public Law 78-534), and the Federal Water Project Recreation Act of 1965 (16 U.S.C. § 460l-12, *et seq.*; Public Law 89-72); and

WHEREAS, the Corps is evaluating an application from the National Loon Center Foundation (NLCF) requesting issuance of a lease from the Corps under 16 U.S.C. § 460d, to construct a National Loon Center and associated facilities (Project) at the CLRA; and

WHEREAS, the Corps has determined that the issuance of a lease is a federal undertaking subject to the requirements of Section 106 of the National Historic Preservation Act of 1966, as amended (54 U.S.C. 306108, *et seq.*) (NHPA), and the Advisory Council on Historic Preservation's (ACHP) implementing regulations, 36 CFR Part 800; and

WHEREAS, the Corps, in consultation with the Minnesota State Historic Preservation Office (SHPO), has defined the area of potential effect (APE) for the Project as documented in Attachment A. The APE includes all areas of potential direct effects in the Project area as well as areas where indirect effects may be caused by the Project. The APE as documented in Attachment A is based on the Project as proposed at the time of execution of this Programmatic Agreement (PA); and

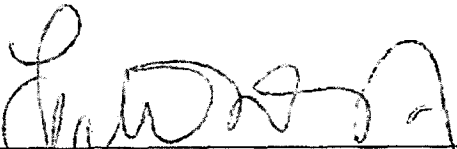

WHEREAS, the APE for the Project may be further refined as a result of additional consultation and as plans for the Project are further developed; and

WHEREAS, the Corps has initially identified two potential historic properties within the APE. The Pine River Dam Compound (21CW0219) which has been identified by the Corps as potentially eligible for listing in the National Register of Historic Places (NRHP), and the Pine River Dam (CW-CLC-002) which has previously been determined eligible for listing in the NRHP. These previous property evaluations are considered by the Corps as being either outdated or incomplete and therefore the two properties warrant additional evaluation for NRHP eligibility under the terms of this PA. The Corps will continue to complete identification and evaluation efforts for these properties and any other currently unidentified properties as stipulated in this PA; and

WHEREAS, the Corps will not be able to complete consultation regarding the final identification of historic properties for the Project prior to the completion of the environmental document for compliance with the National Environmental Policy Act (NEPA), making execution of this PA for the Project appropriate pursuant to the NHPA and 36 CFR § 800.14(b)(1)(ii); and
