Ex: Project Site Form in CWBI

The **TOTAL PROJECT AREA** should equal the project fee owned acres plus (+) the flowage easement plus (+) the riverbed acres. Please confirm that this corresponds correctly.
The **FEE AREA ABOVE CONSERVATION POOL** should equal the project fee owned acres minus (-) the Fee land conservation pool. Please confirm that this data is correct as well.
Definitions for each field are located in the OMBIL Help Manual. https://ombil.usace.army.mil/WebHelp/ombil.htm
