

Examples of NRM Gateway elements that address required CoP functions

CoP Toolkit COP FUNCTIONS Tools	Examples of CoP functions included in the NRM Gateway http://corpslakes.usace.army.mil
POLICY & DOCTRINE STORAGE	
Memorandums of Agreement	MOU's http://corpslakes.usace.army.mil/partners/moumoa.cfm are integrated in the partnership section. http://corpslakes.usace.army.mil/visitors/partners.cfm In addition a Gateway page has been developed for each national NRM partner. http://corpslakes.usace.army.mil/partners/imba/imba.cfm
ER, ARs	Main policy and procedures page http://corpslakes.usace.army.mil/employees/policy-main.cfm links to all CE regulations, circulars etc and other federal policy documents. All standard topic pages include a policy and procedures section that links to policies etc. relevant to the topic. See the following example -- http://corpslakes.usace.army.mil/employees/policy.cfm?Id=access&Code=All
Policy & Doctrine	See above
Info Papers	Information papers are included in many topic pages, for example Information papers on ethnicity issues in the CE recreation program http://corpslakes.usace.army.mil/employees/ethnic/refs.cfm
AIS	Links to automated information systems are in the Tools page http://corpslakes.usace.army.mil/employees/tools.cfm
CAPABLE WORKFORCE	
Career Program Information (CP 18 Information)	Career Development page http://corpslakes.usace.army.mil/employees/career/career.cfm provides comprehensive Career information for NRM staff. HQ NRM guidance on the program is provided http://corpslakes.usace.army.mil/employees/policy.cfm?Id=career&Code=All In addition, stories of the experiences of individuals involved in the CP 18 program are provided http://corpslakes.usace.army.mil/employees/career/articles/eidson.html
Training Information (ACTEDS)	Training page provides links to ACTEDS, Huntsville Division training opportunities and resources from many other agencies. http://corpslakes.usace.army.mil/employees/career/traincar.cfm
On-line "Purple Book" Courses	See above
NATIONAL & INTERAGENCY RELATIONS & COALITIONS	
Subscriptions to Customer & Trade On-line Pubs	Several areas contain access to on line publications. Examples include the sources on the references page of the Environmental Compliances section http://corpslakes.usace.army.mil/employees/pesticide/refs.cfm
Links to External SME Web sites	Same as above.
Search Engine (such as Google)	We have a search capability incorporated into the index part of the site http://corpslakes.usace.army.mil/sitemap.html
External SME	The search engine will direct you to SME 's under appropriate topics

locators	
ORGANIZATIONAL COMMUNICATION	
In house SME locators	The search engine will direct you to SME 's under appropriate topics, along with the information they have contributed to the site.
COP Team Directory	See "NRM Contact List" at http://corpslakes.usace.army.mil/employees/cecw.cfm
Collaboration: On line editing	An example of this function is the on line review of recreation facility standards by field staff. http://corpslakes.usace.army.mil/employees/facilities/review.cfm
Collaboration: On line chatroom	We do not have an on-line chat room but facilitate collaboration through activities directed toward specific tasks. For example on line field review of land use policies under the learning tab http://corpslakes.usace.army.mil/employees/learning.cfm
Newsletter Activity	Content from the HQ NRM newsletter http://corpslakes.usace.army.mil/employees/cecwon/pdfs/update/1feb03.pdf is linked into appropriate areas in the Gateway as "Headquarters Perspective see example http://corpslakes.usace.army.mil/employees/envcomp/chief.cfm
Web Meeting	The site archives content presented in webcasts hosted by PlaceWare. See example on performance measures webcast presentation included on Economic Impact Analysis page http://corpslakes.usace.army.mil/employees/economic/economic.cfm We are also planning to launch the Gateway Learning Exchange this fall. This will be a series of webcasts on recreation and natural resources management topics conducted by university, Corps and other agency staff.
LEARNING ORGANIZATION	
Frequently asked questions (FAQ)	Included for many topic areas. See example for partnerships. http://corpslakes.usace.army.mil/employees/faqs.cfm?id=partner , accessibility http://corpslakes.usace.army.mil/employees/faqs.cfm?id=access and uniform program http://corpslakes.usace.army.mil/employees/faqs.cfm?id=uniform
Good enough to share (GETS)	The "GETS" tab takes you to all Good Enough to Share (GETS) pages http://corpslakes.usace.army.mil/employees/gets-main.cfm This function is Included in most topic areas See examples below. Recreation modernization program http://corpslakes.usace.army.mil/employees/gets.cfm?id=ramp Career development http://corpslakes.usace.army.mil/employees/gets.cfm?id=career
Processes	Included for many topic areas. See partnership process example http://corpslakes.usace.army.mil/partners/howto.cfm
Great Stuff Scrolling	Not clear about this function. We scroll factoids on Corps lakes on the opening page http://corpslakes.usace.army.mil/
"Help--I have a problem" Scrolling	We have just developed and will soon launch the "NRM Net" to provide this function http://corpslakes.usace.army.mil/nrmnetwork/qna.cfm This will be staffed by a field ranger that has performed this function for the past couple of years.
Lessons Learned db	Included for several topic areas. See examples below. Accessibility http://corpslakes.usace.army.mil/employees/gets-main.cfm career development http://corpslakes.usace.army.mil/employees/lessons.cfm?id=career
Best Practices	See Good Enough to Share – This is the term NRM field staff prefer to use

db	for Best Practices see http://corpslakes.usace.army.mil/employees/gets-main.cfm
