

Above - Left: Recreation Technical Coordinator Bonnie Bryson opens the workshop
Above - Right: Denise Marmer of the Louisville District explains workshop logistics

Individual work on webpages begins. In background, Gateway Working Group member Lori Davis of Savannah District discusses Uniform page content development with Grafton Anding of Vicksburg District. To Lori's left is Bill Smallwood (Mobile District, O&M Contracts). In the next row forward are LuAnn Lackey (Mobile District, Accessibility) and Ricky Raymond (Ft. Worth District, CATT). In the front row is Henrik Strandskov (St. Paul District, Sign Program).

Above : Gateway Web Developer Ginny Dickerson (ERDC) works with Debra Stokes (New Orleans District) to post Visitor Center Program content. Grafton Anding and Lynda Nutt (Walla Walla District, Water Safety) discuss Gateway issues in the background.

Below: Mike Owen (Ft. Worth, OMBIL & NRMS pages) talks with Bonnie, Lynda, and Ginny.

Each participant presents the page they develop during the workshop and gets feedback from the group.

Below: Debra Stokes presents the Visitor Center Program page.
