

**2017 USACE NRM Workshop Interpretation/Environmental Education/Water Safety Track
Speaker Submission Form**

Excellence in Interpretation, Environmental Education, and Water Safety: Highlighting Best Practices

Please fill out the form below if you are interested in presenting a session pertaining to Interpretive Services, Environmental Education or Water Safety at the 2017 USACE Natural Resources Management Workshop in Norman, Oklahoma, April 18-20, 2017.

The deadline for speaker applications is 07 December 2016. Application must be submitted to National Water Safety Program Manager Pam Doty pamela.j.doty@usace.army.mil by the deadline. We will let you know by 17 February 2017 if you have or have not been selected as a presenter.

Session will be 50 minutes long. You should allow at least 10 minutes of your presentation time for questions.

Supervisor's Approval

I have my supervisor's approval to attend and make a presentation at the NRM Workshop.

Yes No Note: Your office is responsible for paying your travel expenses and labor to the workshop.

Session Information

Session Title: Limit of 6 words

Narrative Description: Limit to one paragraph (max of 100 words). Briefly describe the proposed session. Entice people to come to this session by creating an exciting session description.

Learning Objectives

Please provide a clear statement of learning objectives. Learning objectives describe what an individual should know or be able to do at the end of your session that they did not know before. Please limit learning objectives to one sentence per outcome, using the following format:

Upon completion of this session, participants will:

Briefly describe the presenter's presentation experience to adults, including conferences, interpretive programs, and training events where the presenter has presented (Maximum 200 words). If this particular session has been offered before, please indicate when and where (i.e. International Boating and Water Safety Summit, National Association for Interpretation Workshop)

Speaker Biography: Please provide a brief bio (Maximum 75 words)

Co-Speaker Biography: Please provide a brief bio (Maximum 75 words)

Visual Aids: We ask speakers to provide a PowerPoint or some type of visual aid for the attendees. PowerPoint presentations will be requested prior to the conference in order to help the audio/visual team prepare for your session. All PowerPoint presentations will be posted on the NRM Gateway after the conference date.

Handouts: Handouts are recommended but are optional.
