Learning More about Volunteers

In 2019, NEEF launched the first-ever National Public Lands Day post-event survey for volunteers. For the first year, the NPLD volunteer survey was only available to 2019 NPLD Highlighted Events. Surveys were collected from 296 volunteers.

78%

were first-time NPLD
volunteers

32%

were first-time visitors
to the public land site

U.S. Army Corps of Engineers (USACE)

"National Public Lands Day connects people to nature through service. It is the perfect opportunity to care for our public lands while spending time with family and friends and taking advantage of all the benefits that come from spending time outdoors."

- Meri-Margaret Deoudes, President & CEO, NEEF
