

- 1. Was the manual structured so that the goals were reasonable and could be met within prescribed timeframes?**
- 2. Did the training program include sufficient exposure to all elements of the job so that you obtained enough broad-based experience to help you determine a career path?**
- 3. Were there any tasks/training elements that could not be accomplished? If not, why not?**
- 4. Was the manual straightforward and easy to use?**
- 5. Were the appendices helpful?**
- 6. Anything else positive or negative?**
