of Engineers®

VOLUNTEER OPPORTUNITIES

*Let's Join
Together and
Make a Difference*

Volunteering with the U.S. Army Corps of Engineers

We invite you to connect with a vast network of U.S. Army Corps of Engineers (USACE) volunteers around the country, where you will play an invaluable role in helping maintain natural resources and provide high quality recreation opportunities.

Why Volunteer?

Community ◀

Meet lots of great people and make lifelong friends along the way.

Travel ◀

Travel across the U.S. experiencing a variety of landscapes and sights.

Free Camping ◀

Earn a free campsite and immerse yourself in new places.

What Are Volunteers Doing?

Educational Programs ◀

Improving Fish/Wildlife Habitat ◀

Public Outreach ◀ GIS/Mapping ◀

Campground Host ◀ Trail Maintenance ◀

Where Can You Volunteer?

USACE lakes and river projects are located throughout the United States. More information about USACE lakes can be found at www.corpslakes.us.
