

SUSPICIOUS ACTIVITIES AWARENESS

Visual Awareness

Visual awareness of hand-carried items (backpacks, briefcases, etc.). Were these items intentionally left behind?

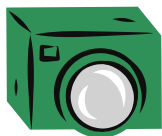

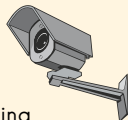

Observation & Surveillance

Prolonged or unusual interest in facilities, building or infrastructure beyond casual or professional interest.

Testing or Probing of Security

Testing a facility's physical security or IT systems to assess strengths and weaknesses. Unauthorized individuals attempting to enter restricted areas or impersonate authorized personnel.

Photography

Taking pictures or videos of persons, facilities, building, or infrastructure beyond casual or professional interest, in a suspicious manner.

REPORTING

If you suspect something suspicious **CALL 911** if possible or use available panic buttons. Complete SAR form.
