

Volunteers Buddy and Becky Riggs are an enormously valuable asset to Green River Lake (GRL) and to the staff during the busy summer months of the recreation season each year. They started volunteering with the Corps at GRL in 2002 as campground hosts. In May of 2005, they started volunteering in the Visitor Center on weekends and during holidays assisting with greeting the public, landscaping, display maintenance, animal care and water safety promotion. Their can-do attitude and winning personalities have made a lasting impression on the staff and to all visitors who enter the doors at the Visitor Center. The Riggs' have a deep love and appreciation for GRL and show that each year through the dedication and overwhelming effort they put into their job duties at the Visitor Center.

Together the Riggs' put in approximately 800 volunteer hours a year, and have put in over 4,796 volunteer hours over the past 6 years. We are hopeful that the Riggs' will be with us again in 2016 making it their 14<sup>th</sup> year of volunteer service at GRL. Volunteers like the Riggs and the service and dedication they provide to the Corps is a real treasure!
