Seattle District- Lake Washington Ship Canal
Volunteer John Levesque

On October 16, 2022, volunteer John Levesque was an essential responder in an emergent lifesaving event regarding a jet ski vessel accident that occurred at the front of the Lake Washington Ship Canal spillway. Mr. Levesque's expedient actions, response, and decisions during the emergency response were essential in the vessel operators rescue. The actions taken by Mr. Levesque and the lock operations crew helped save a life that day. This act of courage perfectly exemplifies Mr. Levesque's dedication to public service at the Lake Washington Ship Canal.
