

Bill and Brenda Geter Volunteer Coin Justification

Bill and Brenda Geter are two very deserving volunteers at Carters Lake we would like to present a volunteer coin to. Bill and Brenda have been summer volunteers for Carters Lake for 4 years, and this year they really stepped up. They have been serving as Volunteer Park Host at Doll Mountain Campground and due to COVID-19 have been vital to our new camper self-check-in system. They currently work Monday-Thursday to ensure all our campers get to their sites and provide information as needed. While excelling at the Park Host position they have also taken it upon themselves to complete multiple maintenance projects within the campground including; mulching, trimming, cleaning, sign replacement and mowing. They have been very influential in updating our campground operation procedures to coincide with the camper self-check-in, which we plan to continue for years to come.
