

NOMINATION  
FOR  
VOLUNTEER EXCELLENCE COIN

George Brown

After several seasons of dedicated service to the U.S. Army Corps of Engineers J. Strom Thurmond Project, Mr. George Brown returned with his wife for the winter 2023-2024 season. Mr. Brown's handiwork was key to the installation and finalization of 23 new Life Jacket Loaner Stations around the lake. He worked tirelessly in various weather conditions to promote the safety of visitors on and around the water. His work has made a lasting impact on the project and will contribute to innumerable lives saved.

Mr. Brown has gone above and beyond the expectations of a USACE volunteer. His hard work and heart of service are greatly appreciated and will be remembered for years to come. Therefore, Mr. Brown is nominated for a Volunteer Excellence Coin.
