

Mr. and Mrs. Richard and Jane Staie have been full-time volunteers at the Hartwell Project for four years, serving as the campground hosts at Crescent Group Campground; a campground with 32 full hook-up campsites and shower and restroom facilities. During the 2016 recreation season, Crescent Group Camp was occupied nearly every weekend and most weeks from April 1st until October 31st. The Staies performed all campground host and maintenance duties, logging in a total of 1,605 volunteer hours valued at \$37,813.80. The services performed at Crescent Group Camp saved the Hartwell Project approximately \$11,000.00 per year in O & M costs. The Staies also assisted in various other duties to include weekly money counting, office filing, and traffic counter data gathering and repair. The Staies are humble and kind, a major asset to the Hartwell Project, and deserving of this honor.
