

Volunteer Excellence Coins Nominations for Arkansas Post Field Office

Larry and Judy Weems are our great winter volunteer park attendants at Merrisach Lake Campground. The public appreciates on the great job they do registering campers and keeping the campground looking good. Mr. and Mrs. Weems work more than their required hours and volunteer for additional duties at Merrisach Lake Park. In FY 2017, they volunteered 172 hours beyond what was required for an extra value to the Government of \$4,152.08. Some of the extra work includes: Extra hours keeping gate house open to register campers and picking up litter. They always provide friendly helpful assistance to the public in any way they could.

4 Years of volunteer service.
