

Volunteer Excellence Coins Nominations for Arkansas Post Field Office

Robert and Susan Evans are our great volunteer park attendants at Wilbur D. Mills Campground. We often get positive comments from the public on the great job they do registering campers and keeping the campground looking good. Mr. and Mrs. Evans exceed their required hours of work and responsibilities volunteering for extra work at the Wilbur D. Mills Campground. In FY 2017 thru July they have volunteered 261 hours beyond their requirement for an extra value to the Government of \$6,300.54. Examples of their extra work includes: Mowing in the park during the absence of a mowing contractor, tree maintenance and other park maintenance jobs. They eagerly greet campers outside of the scheduled gatehouse hours and provide friendly, helpful visitor assistance in any way they can.

1 year of volunteer service.

Park Ranger Michael Groves

Arkansas Post Field Office
