3. ACTION: What did your nominee do to make a difference?

Goldie Simmons began volunteering at Council Grove Lake in 1999 and has continued to come back each summer since. She works hard to maintain the numerous flower beds, pick up trash at our Overlook Park, and entertain park visitors with her stories of the lake and beautiful artwork. In 2016 she put in 403 volunteer hours and is on track for similar numbers this year. Goldie has dedicated 18 busy summers to Council Grove Lake and the US Army Corps of Engineers.
