Bobber Trailer Graphics

The images in this PowerPoint program are for reference only. They are NOT print quality for vinyl wraps.

Print quality files are available as PhotoShop (.psd) files on the NRM Gateway at http://corpslakes.usace.army.mil/employees/watersafety/water.cfm under Bobber the Water Safety Dog. These files have the art elements on layers to allow your graphics vender to make adjustment to layout if needed.

If you or your sign shop have questions about Bobber trailer graphics, please contact Toby.Isbell@usace.army.mil or Lynda.G.Nutt@usace.army.mil

Corkey is wearing her life jacket! It fits and it's buckled! Good Pup!!!
Corkey tiene puesto su chaleco salvavidas! ¡Le Queda! ¡Está abrochado! ¡BUENA PERRITA!!!
ALWAYS SWIM WITH A BUDDY. NEVER ALONE!
Have an adult watch you.
¡SIEMPRE NADEN CON UN COMPAÑERO. NUNCA SOLO!
Tenga un adulto que lo cuide.
That's not a Life Jacket, Sinker!
Blow up toys can lose their air and they can get away from you.
¡Eso no es un chaleco salvavidas, Sinker!
Los juguetes inflables pueden perder aire y flotar fuera del alcance de tus manos.
NEVER, EVER DIVE!!!
There may be something you can't see!
¡NUNCA, JAMAS TE SAMBUYAS!!!
¡Puede haber algo en el fondo que no alcanzas a ver!

Got a sinking feeling?
You underestimated the distance. Now what?
Be aware that conditions of open waters, such as current, temperature and distance, may challenge your strength and swimming skills.
Be smart.
Know your limits.
Keep them smiling. Keep them safe.
Kids wearing life jackets...
a safe choice around water.
The most expensive cushion in the world.
Not wearing it could cost your life.
Nearly 90% of drownings on Corps of Engineers lakes could have been prevented had the victim been wearing a life jacket.
Don't sit on it!
WEAR it!
