

WATER WATCHER

While wearing this tag, I accept responsibility for guarding the pool to protect children from drowning. I will not leave the pool area without a replacement at any time.

Children Drown... Without a Sound

- I will limit the number of kids in the pool area and get help if I need it before kids go into the water.
- I will continuously scan the water's surface and the bottom of the pool with my eyes.
- I will avoid poolside chats, eating, talking on a phone and all other distractions.
- I will stop unsafe play and running in the pool area.
- I will keep a phone by the pool for emergency use only.
- I will locate and learn how to use the pool safety equipment.
- Learn CPR and First Aid!
Call 202-2229.

WATER SAFETY CHECKLIST FOR ADULTS

-  Never leave children alone near water.
-  Tell children never to run, push, or jump on others around water.
-  Learn infant and child CPR.
-  Children should always wear U.S. Coast Guard approved life jackets.
-  Inflatable inner tubes and “water wings” are not safety devices.
-  Keep toilet lids down.
-  Keep doors to bathrooms and laundry rooms closed.
-  Children in baby bath seats and rings must be within arm's reach every second.
-  Teach children to swim after age 4.
-  Make sure children swim within designated swimming areas of rivers, lakes and oceans.
