

PARENTAL RELEASE OF LIABILITY FOR MINORS

Forever 15: Tragedy on the Water

Name of School: _____

Address of School: _____

Phone Number of School: _____

I, _____ [print name of parent or guardian], give permission for my daughter/son, _____ [print name of minor] to participate in the ***Forever 15*** program to be held on _____ [dates].

In doing so, I understand the following facts:

1. My child will be participating in a mock drowning incident to help provide a hard-hitting water safety message to his/her peers.
2. It will be necessary for some participants to enter the lake during pre-event filming and on the day of the event.
3. All participants will be evaluated for swimming ability and comfort in the water before being allowed to enter the lake. Evaluation will take place in the controlled environment of a swimming pool with lifeguard on duty.
4. Participants will be under constant supervision by school officials and designated professional staff. Appropriate rescue personnel will be on hand at all times during pre-filming and at the event.
5. I authorize photographs and/or video film to be taken of my child as he/she participates in the program.
6. I further permit photographic negatives and prints and video film prepared during the program to be used to publicize this program for educational purposes to those in other communities. This includes the posting of an edited video of the event on YouTube.
