

Reach, Throw, Row, Go Song

CHORUS: Reach, throw, row, and go
These are four things you should know
Reach, throw, row, and go
These are four things you should know

VERSE 1: Reach--it's what you do with your arms and legs,
Or anything else that will stretch real far
stretch real far

REPEAT CHORUS

VERSE 2: Throw--it's what you toss to those waving arms
Something that'll float and keep 'em from harm
keep 'em from harm

REPEAT CHORUS

VERSE 3: Row--Jump in a boat and GO, GO, GO, GO, GO. GO
Once you're there reach or throw
reach or throw

REPEAT CHORUS

VERSE 4: Go--If you can't get nothin' else to work
Use those legs and run for help
run for help

REPEAT CHORUS
