

LEAVE NO TRACE SPOTLIGHT EVENT AT BEAVER LAKE

LITTLE ROCK DISTRICT, SOUTHWESTERN DIVISION

U.S. ARMY

WHO: USACE, Leave No Trace, Beaver Watershed Alliance, Arkansas Game and Fish, Hobbs State Park, Ozark Society, Rogers Parks and Recreation

WHAT: Environmental Stewardship and Public Outreach

WHEN: 13,14 April 2024

WHERE: Prairie Creek Day Use Area-Beaver Lake, Arkansas

Why: To promote environmental stewardship, education, and bring public awareness to visitors on the importance of the lake as a water resource and ways to conserve it.

What's Next: Continue public outreach to the community in the day use areas of Beaver Lake throughout the summer, promoting environmental stewardship and education.

Summary:

Park Rangers, Jay Vanselow and Lucas Wicker, partnered with the Subaru/Leave No Trace Traveling Team at Prairie Creek Day Use Area. They collaborated with other local partners, by hosting a pop-up education day, with information tables representing different agencies and environmental organizations, teaching about environmental stewardship and practices to help conserve the Beaver Lake Reservoir and its shoreline. A trash pick-up was also part of the two-day event that let volunteers help clean up the lake shore.
