LENDING TACKLE BOX PROGRAM

- Lending Tackle Box Program is a new organization created with the intention of providing recreational opportunities for people otherwise without access. The mission is fulfilled with the 'Lending Tackle Boxes' placed at public facilities, such as USACE recreational sites, where people may take out the supplies and re-place them after use.
- Similar to the Life Jacket Loaner Station concept
- Lending a Tackle Box Program's' to engage families and promote outdoor recreation
- USACE and the Lending Tackle Box Program have worked successfully on projects of mutual interest and want to establish a partnership larger scale MOU partnership.

Memories and a Plan

Everyone has those childhood memories that they look upon with warmth and laughter. Those memories for us at the Lending Tackle Box Program centered around spending time with family and friends around the Lakes and Waterways of Ohio.

With that in mind, the Lending Tackle Box Program was born. Help us create those memories for future generations by donating to our Tackle Box.

We need the following:

- Closed face fishing poles (preferred)
- Kid fishing poles (new or used)
- Packs of bobbers, sinkers, hooks & line
- Fake worms & Small jigs with hooks

Can be Donated Directly Inside the Tackle Box

Share your day @ the Lake..

We would love to hear about your day at the Lake. Share photos and stories of your use of the Lending Tackle Box to our facebook page!
