

OFFICIAL NONPROFIT OF
AMERICA'S LAKES AND WATERWAYS

The Corps Foundation Mission

The Corps Foundation engages the public to ensure the environmental health and recreational enjoyment of our nation's lakes, lands, and waterways administered by the US Army Corps of Engineers.

- National non-profit advocacy organization for the Corps NRM program
- Articles of Incorporation December 2006
- IRS 501(c)(3) designation January 2007
- Signed MOU with the Corps in October 2007

Vision and Goals

Vision: An involved public enjoying and supporting Corps lakes, lands and waterways.

- **Goals**

- Well informed public
- Involved public
- Strong partnerships
- Healthy, sustainable, accessible natural resources

Why was the Foundation Created?

- Support projects through donations and grants
- Inform stakeholders of the value of Corps Program
- Facilitate partnerships/ grow local friends groups
- Serve as connection/ hub for partner groups
- Advocacy

Building a Case for Support?

- Educate about the role the Corps plays in providing quality outdoor recreation and natural resources
- Communicate the limitations of Federal Funding
- Lakes and waterways are at risk of reduced access and eliminated facilities and programs
- How you can help?

Helping America's Lakes and Waterways

Americans love the lakes, rivers and waterways operated by the U.S. Army Corps of Engineers. These special places rely on the help of many organizations and individuals to create a positive visitor experience. The Corps Foundation is the only nationwide nonprofit organization dedicated exclusively to supporting our nation's lakes, rivers and their many resources.

People join the Foundation to express their deep appreciation for these water resources. In the company of likeminded people, many support Corps Lakes financially and as volunteers to help maintain the quality experiences we all love and cherish.

HELP PRESERVE & IMPROVE AMERICA'S TREASURES!

In a time of decreasing federal funding America's lakes and waterways are at risk of reduced access, eliminated programs, even closures. With your financial support we can help maintain and improve programs and facilities and keep these treasured resources vibrant.

Who can be a part of the CF?

■ Membership

- Corps retirees (\$50/yr)
- Friends and Friends groups (\$50/yr)
- Active Corps employees (\$50/yr)

Lake Guard is a highly competitive game designed to test the player's speed, reflexes and boating safety knowledge. You are tasked with guarding a lake that has been overrun with unprepared boaters. Take control of your trusty Safety Cannon to launch the necessary safety gear to them. However, you have to keep an eye out for cans of Grog (beer). Launching a can of Grog to a visitor could prove dangerous so be sure to shoot the cans of Grog onto the dock to be recycled instead! Keep guard of your lake for as long as you can while increasingly hazardous conditions and visitors try to overrun your waters. Share your high score with friends, earn achievements and become the greatest Lake Guard in the world!
