

Building Partnership Capacity

Partnerships in NRM PROSPECT Course

“The views, opinions and findings contained in this report are those of the authors(s) and should not be construed as an official Department of the Army position, policy or decision, unless so designated by other official documentation.”

**US Army Corps
of Engineers®**

Internal Capacity Building

- ❖ The Corps' Culture
 1. By nature, we try to control everything... we need to loosen up!
 2. Embrace private/public partnerships

- ❖ Integrate into NRM Business Lines
 1. Build relationships internally with Office of Counsel, Real Estate, Resource Management, Planning, and Operations early in the process
 2. Strengthen interagency relationships
 3. Consistency between districts (sharing)

- ❖ Training
 1. NRM Gateway as an up-to-date resource
 2. Partnership webinars, Public Lands Alliance, PROSPECT 328
 3. Best practice sharing

External Capacity Building

Finding partners and managing partners takes WORK!

US Army Corps
of Engineers[®]

External Capacity Building

Let's hear some advice from Terry Ramsey, former OPM at W. Kerr Scott

External Capacity Building – Why do Organizations and Individuals Give?

1. Because they are asked!
2. They are thanked.
3. They share values, goals, and mission.
4. They see the need and benefits working together.
5. They are involved.
6. Others are giving (time, \$, expertise, goods/services)
7. They trust the organization and the representative.
8. The project will be a model.
9. There is an urgency.

Community Engagement

Who can be my partners?

Where do I look?

US Army Corps
of Engineers[®]

Community Engagement

- ❖ Local chamber of commerce or visitor bureau
- ❖ Volunteers
- ❖ People who use the parks
- ❖ Community civic organizations
- ❖ Current national partners – list on NRM Gateway
- ❖ Tradeshows, conventions...where people with similar interests gather
- ❖ Community leaders
- ❖ Non-profits or for-profits in the area
- ❖ Who I know or someone I know who might know someone (network). Invite 10 people to invite 10 friends/partners each

Community Engagement Success Story

Finding Partners

Where do I start??

Get Blank Piece of Paper –
Let's Brainstorm!

US Army Corps
of Engineers[®]

Exploring New Partners

- ❖ In the next 2 minutes, write down 4 partner relationships you would like to build.
- ❖ Take another 2 minutes to list at least one interest that the Corps shares with the potential partner.
- ❖ Compare with you neighbor and share your ideas.

Potential partner	Shared interest

Finding the Right Partner

Start by identifying gaps and managing expectations:

1. List 3 things that you (the Corps) bring to the table and 3 things your partners bring.
2. List 3 qualities that you are looking for in a partner.

	USACE	Partner # 1	Partner #2
Got It			
Qualities to look for			

US Army Corps
of Engineers[®]

Questions to Ask

1. What do you need from your partner/what do they need from you?
2. What is your potential partner's sustainability?
3. What is their reputation or standing in the community?
4. What are your respective expectations about time commitment?
5. What happens if you can't work it out?
6. What questions does your potential partner have for you?

US Army Corps
of Engineers[®]

Developing and Sustaining

- ❖ Formal agreements
- ❖ Make it work attitude to get over hurdles
- ❖ Honor commitments – long term trust always wins in building partnerships
- ❖ Find wins – even if small and celebrate them
- ❖ Invite other partners if possible – it can help both parties
- ❖ Don't just talk when you need something
- ❖ Have fun!

Final Word...

“If you’re not at the table, you’re on the menu.”

- Sally Jewel, Former U.S. Secretary of the Interior

US Army Corps
of Engineers[®]
