

NRM was front and center at the "HQ Park Ranger Day" exhibit on 31 July - 1 August 2019. Amber Tilton and Derick Walker helped staff the exhibit and also received their Natural Resources Management national awards. All MSC/HQ Commanders and many Corps Senior Leaders from around the county attended the event held in association with the 4th Quarter USACE Executive Governance Meeting, giving these leaders the opportunity to learn more about the NRM program and see Amber and Derick accept their awards.
